Project Summary	Manage a WhatsApp group to connect with motivated women entrepreneurs
Country	Nigeria
Agency	Department of State
DoS Office	N/A
Post	NIAMEY
Section	PAS
Number of Interns	1

Project Description

Nigerien women are engaged in a multitude of entrepreneurial endeavors. U.S. Embassy Niger would like to help make meaningful connections by hosting a lively WhatsApp Group. Managing the group has three components 1) Monthly conversations with leading Nigerien entrepreneurs 2) Answering ongoing questions from the group 3) Matching mentors with mentees via WhatsApp. We also hope to build a community of connected entrepreneurs who can also serve as a sounding board for PAS women-focused initiatives. Your work will involve establishing the monthly talks, regular monitoring of the group, and matching mentors. You will be supported by the public affairs staff in these endeavors.
